Profile

Established in 1989, Sigma Sports is one of the leading manufacturer and exporter of quality cricket gear from India. We are renowned bat makers of truly great tradition, expertise and craftsmanship.

The customers delight and satisfaction in terms of products is the ultimate measure of our success. We, at Sigma are committed to attain, deliver and maintain highest standards of quality in our works, services and supplies so as to achieve maximum customer satisfaction. We endeavour to provide efficient leadership to the team, encourage their creativity and train them to keep pace with the latest technological advancement for the continuous growth of the company, its performance and excellence in the products. Our products are the result of combination of detailed research and traditional skills to meet the requirement of today's cricket. Our company is committed to provide customers and various sports organizations with goods and services of highest standards. We strive to match and exceed consumer expectations and to provide the consumers with the highest value for their money.

Our cricket bats have been widely appreciated by Indian and international cricketers. Our cricket equipments are being exported to countries like Australia, UK, Sri Lanka and USA.
